

The Brown County Oral Health Partnership (OHP) is a highly successful nonprofit dentistry organization entering its 11th year. Located in Green Bay, Wisconsin, OHP provides preventative, restorative, and emergency dental services, along with oral health education, to nearly 9,000 uninsured and underinsured children of Brown County, WI, and we are expanding! OHP has three clinical locations, hospital access, and a school-based program. Our vision is to achieve excellence in oral health practices, education, and disease prevention with a primary focus on serving uninsured and underinsured children in the Brown County community. In passionate pursuit of helping those in need, we stay true to our mission and core values while providing individualized, quality care to each patient.

OHP is seeking licensed DDS general and pediatric dentists to work with children aged 0-19. Dentists will perform comprehensive, periodic, and limited exams, review radiographs, and determine treatment plans. Dentists would also place sealants, restorations, and SSC's, and perform prophylaxis as needed. Additionally, risk assessment for caries, habit counseling, and nutrition recommendations would be provided.
