

Dental Hygienist

Join a team making a difference! Oral Health Partnership (OHP) is a nonprofit children's dental program that provides preventative, diagnostic, and restorative dental services to uninsured and underinsured children ages 0-19. We provide care at our dental clinics, in schools, and at hospitals in Green Bay and surrounding areas.

Job Description

We are in search of a dedicated, skilled, and compassionate dental hygienist to join our devoted team of professionals in achieving our mission of "changing the lives of our communities' children through access to excellent oral health services and education."

Title: Registered Dental Hygienist

Reports to: Clinical Director / Community Dental Health Director

Department/Location: OHP's dental offices

Classification: Full-Time

Compensation/Benefits: \$32-\$38 per hour. Competitive salary and benefits based on experience and work schedule.

Required Education: Graduate of an accredited Dental Hygiene Program (required)

Main Responsibilities:

- Review the Health History of child
- Perform prophylaxis
- Apply fluoride
- Deliver Oral Hygiene Instructions
- Take notes and charting in patient's chart
- Perform Hygiene Assessment
- Place sealants
- Deliver post-op and post-fluoride instructions
- Clean and set up the portable operator
- Stock supply bins
- Educate the patients on oral health and provide dietary counseling

Technology Responsibilities: Use of Dentrix charting software, Dexis radiography software, and ADP internal timekeeping system.

Beneficial Experience: Working with children and teens.

Language Requirements: English; Bilingual in Spanish, Hmong, or Somali beneficial.

Travel Requirements: Must be able to travel to any of OHP's dental service sites.

Physical Requirements: OHP Clinics are dynamic and fast-paced work environments. Occasional lifting and moving dental equipment and supplies (<50lbs). Continuous movement throughout the day to include sitting, standing, and walking.

Qualities and Skills Integral to the OHP Dental Hygienist Position:

- People skills; the majority of a dental hygienist's day is spent interacting with others, from co-workers to patients.
- Adaptability to work at the different clinical sites and with a variety of rotating staff.
- Provide high quality clinical services.
- Enjoys working with children and teens.

Schedule: 8-hour shifts

COVID-19 considerations:

Top-level PPE provided, all guidelines and requirements followed.
