

Dental Director/Pediatric Dentist

Brown County Oral Health Partnership (OHP) is a nonprofit children's dental organization that provides preventative, diagnostic, and restorative dental services to uninsured and under-insured children. If you enjoy working with kids, you'd love it here!

We have a hospital team that treats kids under anesthesia, a School-Based Team that treats kids in Green Bay Schools, and 5 clinics within the City of Green Bay.

After 17 years we've grown to 6 full-time dentists, and 1 part-time pediatric dentist that works on our Hospital Team.

We're looking for another **Full-Time Dental Director/Pediatric Dentist** to help OHP grow in the Green Bay area!

As Dental Director you would guide the dentist team especially with treatment issues and standards. As a pediatric dentist you would perform comprehensive, periodic, and limited exams, review radiographs, and determine treatment plans. Dentists would also place sealants, restorations, and SSC's, and perform prophylaxis as needed. Additionally, risk assessment for caries, habit counseling, and nutrition recommendations would be provided.

Requirements:

- DDS or DMD licensed in United States/licensed or qualified to obtain a license in Wisconsin
- Pediatric residency completed
- Experience treating children/child behavior management experience
- Four days a week availability
- Willing to relocate to Green Bay, WI with relocation assistance available

Benefits:

- \$140-\$200/hour, depending on experience and clinical setting**
- School loan forgiveness programs
- Full benefits including dental and vision
- Employer paid professional liability insurance
- Continuing Education allowance
- 401K with employer contribution
