

Dentist

Join a team making a difference! Oral Health Partnership (OHP) is a nonprofit children's dental program that provides preventative, diagnostic, and restorative dental services to uninsured and underinsured children ages 0-19. We provide care at our dental clinics, in schools, and at hospitals in Green Bay and surrounding areas.

Job Description

OHP is seeking a licensed DDS or DMD general or pediatric dentist to work with children aged 0-19. The dentist will perform comprehensive, periodic, and limited exams, review radiographs, determine treatment plans, perform risk assessment for caries, provide habit counseling and nutrition recommendations, place sealants, restorations, and SSC's, and perform prophylaxis as needed.

Title: Dentist

Classification: Part or Full-Time

Compensation/Benefits:

- \$89-\$154 hourly rate, depending on experience and general or pediatric dentist
- School loan forgiveness programs
- Competitive benefits including medical, dental, and vision
- Employer paid professional liability insurance
- Continuing Education allowance
- 401K with employer contribution

Required Education: DDS or DMD licensed in United States/licensed or qualified to obtain a license in Wisconsin

Beneficial Experience: Treating children/child behavior management

Language Requirements: English; Bilingual in Spanish, Hmong, or Somali beneficial.

Physical Requirements: OHP service sites are dynamic and fast-paced working environments that often require lifting and moving equipment. Continuous movement throughout the clinic to include sitting, standing, and walking.

Other Requirements:

- At least one day a week availability
- Willing to travel to or relocate to Green Bay, WI with relocation assistance available
