

Dental Director / Pediatric Dentist

Brown County Oral Health Partnership (OHP) is a nonprofit Children's Dental organization. The goal at OHP is to change the lives of our communities' children through access to excellent oral health services.

We do that through our various preventative, diagnostic, and restorative dental services.

OHP is looking for a Full-Time Dental Director or a Pediatric Dentist to complete our team.

As Dental Director you would guide the dentist team with treatment issues and standards. Our ideal candidate is someone who would enjoy flexing between being a leader for our other general dentists and still seeing their own patients a fraction of the time. We are not a FQHC and offer the consistency usually found in traditional dental clinics. In 2022, we are proud to have served over 11,000 area children.

Opportunity available for a Pediatric Dentist who only wants to focus on patient care.

Key stats about OHP:

- 17 years of nonprofit excellence
- 5 clinic locations within the City of Green Bay
- Hospital teams that treat kids under anesthesia
- School-Based teams that treat kids in Green Bay area schools
- 6 full-time dentists & 1 part-time dentist
- 7 full-time hygienists & 16 full-time dental assistants
